**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I currently have a local ISP whose rates are extremely competitive and services rival those of larger companies. My service is bundled with phone and efax, saving me hundreds of dollars each year when compared with most other companies. My rates have stayed the same over the length of my service, compared to the price hikes of other service providers. PLEASE DO NOT RESTRICT MY BROADBAND OPTIONS!!!!
